Collecting Invoice bills, Sales and Purchase ledger to update in Tally ERP Software. Managed and maintained GST compliance, including preparing and filing GST returns for the client.

Personal Projects

Portfolio   giridharan-km.netlify.app

- A personal portfolio showcasing my web development projects, skills, and contact information.
- Responsive design, project showcase, and contact form linked with googlesheet.
- Implemented interactive UI elements and a mobile-friendly layout for a better user experience.
- Features sections for About Me, Projects, Skills, and Contact Form with basic form validation.

Nostra e-commerce website   nostra-ecom.netlify.app

- Designed a fully responsive layout optimized for various devices using **media queries**.
- Implemented an intuitive navigation system with a **collapsible side menu** for mobile screens.
- Created a dynamic product catalog with categorized listings and **search functionality**.
- Optimized website performance with efficient **DOM manipulation** and lightweight design.

Notes App   notes-app4.netlify.app

- Developed a dynamic Notes App enabling users to add, view, and delete notes using JavaScript and DOM manipulation. Enhanced UX with a pop-up form and real-time updates
- Utilized **event handling** to manage user interactions and improve the UX.
- Demonstrates client-side **CRUD operations**, enhancing frontend development skills.
