Personal Projects

Portfolio   giridharan-km.netlify.app

- A personal portfolio showcasing my web development projects, skills, and contact information.
- Responsive design, project showcase, and contact form linked with googlesheet.
- Implemented interactive UI elements and a mobile-friendly layout for a better user experience.
- Features sections for About Me, Projects, Skills, and Contact Form with basic form validation.

Nostra e-commerce website   nostra-ecom.netlify.app

- Designed a fully responsive layout optimized for various devices using **media queries**.
- Implemented an intuitive navigation system with a **collapsible side menu** for mobile screens.
- Created a dynamic product catalog with categorized listings and **search functionality**.
- Optimized website performance with efficient **DOM manipulation** and lightweight design.

Notes App   notes-app4.netlify.app

- Allows users to add, view, and delete book notes dynamically using DOM manipulation.
- Implemented a **pop-up form** for seamless note entry with real-time updates.
- Utilized **event handling** to manage user interactions and improve the UX.
- Demonstrates client-side **CRUD operations**, enhancing frontend development skills.
